I AM A FAMOUS QUEEN, AND YOU ARE ALL MY LOYAL SUBJECTS!
UH-OH! PIGGY'S BEEN LOOKING AT A HISTORY PICTURE-BOOK AGAIN!
YOU LOOK LIKE A FAMOUS QUEEN, MY QUEEN!
BUT WHICH ONE, GONZO?

NANCY BROWN
ASSISTANT EDITOR

c/o S.T.A.R. COMICS, 387 PARK AVE. SOUTH, N.Y.C., N.Y. 10016

Judging by the bags of mail that keep pouring into our offices. Kermit, Piggy, Fozzie and company are a rip-roaring success, and the MUPPET BABIES has quickly become one of the biggest selling comic books around. Thanks to each and every one of you for making this possible.

Still, coming as far as we have, we want to do much better. There are great plans in the making for some exciting new changes and spectacular features. The upcoming issue, for instance, "The Weather Demon," is one of the most exciting action-filled, laugh-loaded stories you'll ever want to see. It's the Babies at their best, and you know full well what that means.

But remember, you can help us out with your letters and suggestions. They give us an idea of what you like, what you don't like, and what you want to see on these pages. So keep those letters coming! We'll be happy to hear from you and you'll be thrilled when you see your own name in this magazine!

And now on to some of those letters . . .

Dear S.T.A.R.,

I've been reading and enjoying the Muppet Babies since 1985. I love to read, and especially read the Muppet Babies. They are funny, and I just adore the pictures. My three favorites are Animal, Piggy and Kermit.

Traci L. Johnson, S.T.A.R.
Lillington, N.C.

Fozzie answers: Traci, you've got to be kidding! I thought I was the one who made the jokes! Didn't you forget about a handsome bear with a propeller on his cap and the greatest sense of humor in the world?

Rowlf says: No wonder they talk about a dog's life . . . forgetting about man's noblest friend. I'm surprised at you, Traci.

Gonzo adds: Traci who?

And we say, We know you love them all!

Dear S.T.A.R.,

How come Fozzie always gets hit with tomatoes when he says a joke? How old is Animal? How come Gonzo always wants to kiss Miss Piggy? And how come Bunsen doesn't know how to talk?

Kerry Kristine O'Keefe

Fozzie doesn't always get hit with tomatoes; there are times he gets hit with bananas! Animal never stands still enough to tell us his age. Who wouldn't want to kiss Miss Piggy? And as to why Bunsen doesn't talk, he's never told us! But, Kerry, those questions sure tell us that you're paying an awful lot of attention to every one of the Muppet Babies. Thanks for that.

Dear S.T.A.R.,

Muppet Babies is my favorite Star comic, and I loved issues one and two. It is so much like the cartoon series. Speaking of the show, do you plan to do the stories of the TV shows in the comic book?

Josh Robison
Brownstown, Il.

Thanks so much for the kind words, Josh. Glad you like our books and the TV series, which happens to be produced by Marvel Studios, our own company in California. At present, we don't plan to use any of the TV stories as comics. I guess we feel you'd rather see brand new adventures of the Babies that have never been seen before. Also, as we indicated earlier, we're planning some brand new ideas that can only be done in this form. I'm sure none of you will be disappointed.

Dear S.T.A.R.,

Is it ever possible to get back issues of the Muppet Babies? I didn't start reading the magazine until issue #4, and I would love to get my hands on some earlier issues. I'm sorry to say that the comic stores in my neighborhood don't have any more left.

I read a lot of Star Comics, including Heathcliff, Care Bears and Top Dog, but the Muppet Babies are my very favorites.

Tyler Rosen
New Brunswick, N.J.

Sounds like you're one big fan of Star Comics, Tyler. Welcome aboard! Sorry that you can't get those issues in your local store. Certainly an awful lot of comic stores do stock them. I will give you a tip, however, and tell you a secret that will soon be news everywhere. In early fall of this year, we'll be selling a Star Comics Digest magazine that will include early stories from lots of Star Comics. Some of those included are: Muppet Babies, Care Bears, Heathcliff, Top Dog, and the Ewoks! Look for the magazines, you won't be disappointed!

STAR SIGNALS

★★★★★ YAHOO! Have you been following all of the exciting new developments in THE SECRET LIFE OF TOP DOG? Right on the heels of TD's highly acclaimed team-up with HEATHCLIFF in issue #9, our ever-cantankerous canine is joining forces with a certain familiar ever-friendly neighborhood web-swinger! Yes, that's right! TOP DOG meets SPIDER-MAN! It's the very first time a STAR character has met a member of the MARVEL UNIVERSE! Sound the trumpets! Alert the newspapers! Tell your teacher! But, don't miss TOP DOG #10! (What's next? Will Joey Jordan join the NEW MUTANTS?!)

★★★★★ Aside from its historic importance, the above story is noteworthy for another reason. It was written by a brand new member of the STAR Bullpen . . . Jovial GEORGE CARAGONNE . . . and it's the very first comic book story George has ever had published! Remember a few months ago when I wrote a STAR SIGNALS about dreamers who want to break into the comic book industry? Well, TOP DOG #10 is proof that some dreams do come true! Let's all welcome George to the team! Way to go, fella!

★★★★★ Another dream come true is the long-awaited, much-demanded meeting of the DROIDS and the EWOKS! The story begins in DROIDS #4 and is continued in EWOKS #10. (The collectors among you should also note that this is the very first time we've had a STAR story which was too big to fit into a single issue of a comic book!)

★★★★★ And, now for a bit of personal news. Inspired by the rash of recent team-ups in her books, assistant editor Nancy Brown is currently planning a rather special team-up of her own. She's getting married! I really have to give Nancy credit. Aside from helping editor Sid Jacobson phone freelancers, and coordinate, edit and proofread all of the scripts, penciled pages and completed artwork for an entire line of STAR comics, Nancy is also on the phone every day with caterers, florists, dressmakers, bridesmaids and the guy who sweeps up the hall after the wedding. WHEW! Where does she manage to find all the time? I'm sure you'll all join with me in wishing her the best of luck! (By the way, Nancy, when you get time, I'd like you to put together a letters column for the next issue of CARE BEARS . . .)

★★★★★ That's all for now . . .
Thanks for being there!
